

XI *International Conference in Surfaces Materials and Vacuum* ICSMV

PLAYA DEL CARMEN

September 24th to 28th 2018

Iberostar Paraiso Hotel

Symposia

- Advanced and Multifunctional Ceramics
- Atomic Layer Deposition
- Biomaterials and Polymers
- Characterization and Metrology
- IUUSTA 60th Anniversary
- Luminescence Phenomena: Materials and Applications
- Microelectronics and Mems
- Nanostructures
- Photothermal Phenomena,
- Plasma and Vacuum
- Renewable Energy: Solar Cells and Materials
- Science Divulagation
- Semiconductors
- Surfaces and Interfaces
- Theory and Simulation of Materials
- Thin Films
- Tribology

Prizes

- Meisa-Leybol Award Francisco Mejia Lira for scientific contribution to Surface and Material Science.
- Intercovamex prize for Best Doctoral and Master Degree Thesis
- Best Conference Poster

Important dates

- Abstract Submission Deadline: June 24th 2018
- Early Bird payment: August 31th 2018
- Student grant application deadline: July 31th 2018
- Intercovamex prize deadline: August 31th 2018
- Francisco Mejia Lira deadline: August 31th 2018
