IUCr Scientific Freedom Policy Statement

The Organizing Committee of the XII Latin American Seminar of Analysis by X-ray Techniques shall observe the basic policy of non-discrimination and affirms the right and freedom of scientists to associate in international scientific activity without regard to such factors as ethnic origin, religion, citizenship, language, political stance, gender, sex or age, in accordance with the Statutes of the International Council for Science.

At this Seminar no barriers will exist which would prevent the participation of bona fide scientists.

Date June7, 2010 Place Puebla, Mexico
Signature J. Martínez, Chairman SARX 2010
