I am pleased to inform you that your contribution "**Lithium silicate solid electrolyte prepared in-situ on silicon electrodes during charge/discharge in a Li-ion battery**" by *Nadia Oropeza Miranda*, has been **accepted** in symposium **B3, Electrochemical Energy Storage and Generation: Batteries, Electrochemical Capacitors and Fuel Cells** at the XXX International Materials Research Congress, to be held in Cancun in August 14 - 19, 2022.

The presentation has been accepted in the **Poster Presentation** modality. Remember that in order to include your abstract in the congress program you must confirm your participation no later than May 22th by choosing the modality you will present your abstract(s); you can do this from your IMRC account.
