Corrosion Study of Current Collectors for Magnesium Batteries  
Batteries & Supercaps

Dear Enrique,

Thank you for your review of this manuscript.

To access your review comments, as well as those of the other reviewers for the current round of peer review, please go to <https://www.editorialmanager.com/batt/> and log in with your username (Your username is: pesitrama\_80 ) and password. They can be found under the menu item "Completed Assignments" for the manuscript number under "View Reviewer Comments", and we ask you to treat them as confidential. If you have forgotten your password, please use the "Send Login Details" option given on the login screen.

Please note that your comments may be shared with the other reviewer(s), of course anonymized.

Best regards

Dr. Halgard Staesche  
Deputy Editor  
Batteries & Supercaps

In appreciation of your review, we are pleased to offer you a 30% discount on Wiley books. Visit <http://www.wiley.com> and use code JRREV in the promotion code field.

Discount excludes major reference works.

(2022 Impact Factor: 5.7)

ChemistryEurope is a new, fully open access journal in Wiley-VCH's society publishing program. Led by active scientists as editors-in-chief it publishes selected top research from all areas of chemistry for a broad and heterogeneous readership. All articles published by ChemistryEurope are immediately freely available to read, download, and share. Article publishing charges are waived until 2025. Find out more on the journal's homepage at [journal.chemistry-europe.org](http://journal.chemistry-europe.org) and submit your best research today!

By submitting a manuscript to or reviewing for this publication, your name, email address, and affiliation, and other contact details the publication might require, will be used for the regular operations of the publication, including, when necessary, sharing with the publisher (Wiley) and partners for production and publication. The publication and the publisher recognize the importance of protecting the personal information collected from users in the operation of these services, and have practices in place to ensure that steps are taken to maintain the security, integrity, and privacy of the personal data collected and processed. You can learn more at <https://authorservices.wiley.com/statements/data-protection-policy.html>
